

Shweta Rathod

MEDICAL DIAGNOSTIC SONOGRAPHY STUDENT

Ottawa, ON | (613) 853-0280 | srathod19@cni.h.ca | [linkedin.com/in/dr-shweta-rathod-5a204417a](https://www.linkedin.com/in/dr-shweta-rathod-5a204417a)

Objective

A dedicated healthcare provider transitioning into Diagnostic Medical Sonography, with over 7 years of experience in the health sector. Specialized in Obstetrics and Gynecology, with a strong background in patient care, interprofessional collaboration, and community health education. Eager to contribute clinical expertise and evolving imaging skills to the Diagnostic Imaging Department at Yukon Hospital Corporation.

Skills

- Good verbal and written communication
- Experience in multidisciplinary healthcare settings
- Leadership experience in clinical mentorship and education
- Fluent in English, Hindi, and Gujarati
- Strong foundation in anatomy, physiology, and diagnostic patient care
- Hands-on experience in medical procedures, triage, and imaging support
- Adept in patient education and emotional support

Education

Diagnostic Medical Sonography | Canadian National Institute of Health – Ottawa, ON | 01/2025 - Present

- Expected date of graduation is August 2026, with plans to take the licensing examination (Sonography Canada & ARDMS) in September 2026
- Active student member of Sonography Canada and ARDMS

Doctor of Medicine (Obstetrics & Gynecology) | Parul University – Gujarat, India | Graduated: 2020

Experience

Physician Assistant | Clyde Medical Centre – Ottawa, ON | 08/2024 - 12/2024

- Coordinated appointments, performed triage and patient assessments, maintained accurate records using Oscar EMR, and applied medical coding and billing knowledge (OHIP) to streamline clinical workflow.
- Provided patient education on treatment plans, medications, procedures, and follow-up care

- Assisted physicians during diagnostic and minor medical procedures, ensuring patient comfort and procedural efficiency
- Maintained strict adherence to hygiene, infection control, and safety protocols

Pharmacy Assistant | B&C Pharmacy – Brampton, ON | 04/2024 - 05/2024

- Processed prescriptions and dispensed medications accurately
- Managed inventory and monitored medication expiry dates
- Provided excellent customer service and addressed patient inquiries
- Maintained a clean, organized, and safe pharmacy environment

Consultant OB-GYN / Assistant Professor | S.G. Patel Maternity Hospital & G.J. Patel College – Gujarat, India | 03/2021 - 12/2023

- Delivered comprehensive OB-GYN care, including prenatal, postnatal, and gynecological treatment modalities
- Designed individualized treatment plans for PCOD, menstrual irregularities, and menopause
- Maintained clinical case histories and ensured infection prevention compliance
- Collaborated with radiology and sonography departments for accurate diagnostic evaluation
- Mentored undergraduate and postgraduate students in clinical skills and academic research
- Led educational seminars and awareness campaigns focused on women's health in rural communities

Certifications

Basic Life Support (BLS) – St. John Ambulance, Ottawa, ON | 2025- 2026

MS Office Certificate Course – Parul University, India | 2011

Awards & Recognitions
